Application for quotation of +securities

Information or documents not available now must be given to ASX as soon as available. Information and documents given to ASX become ASX's property and may be made public.

If you are an entity incorporated outside Australia and you are seeking quotation of a new class of +securities other than CDIs, you will need to obtain and provide an International Securities Identification Number (ISIN) for that class. Further information on the requirement for the notification of an ISIN is available from the Create Online Forms page. ASX is unable to create the new ISIN for non-Australian issuers.

*Denotes minimum information required for first lodgement of this form, with exceptions provided in specific notes for certain questions. The balance of the information, where applicable, must be provided as soon as reasonably practicable by the entity.

APPENDIX 1

SUMMARY OF THE CONSOLIDATED ZINC PERFORMANCE RIGHTS PLAN

1. The Directors, at their discretion, may at any time invite eligible participants to participate in the grant of Performance Rights under the Plan.
2. The eligible participants under the Plan are full time or part time employees or a Director of the Company and its related bodies corporate, relevant contractors and casual employees and prospective parties in these capacities or any other person who is declared by the Board to be eligible to receive a grant of Performance Rights under the Plan ("**Eligible Participants**"). Subject to Board approval an Eligible Participant may nominate a nominee to receive the Performance Rights to be granted to the Eligible Participant.

The Company will seek Shareholder approval for Director and related party participation in accordance with Listing Rule 10.14.

3. The Plan is administered by the Directors of the Company, who have the power to:
 - (a) determine appropriate procedures for administration of the Plan consistent with its terms;
 - (b) resolve conclusively all questions of fact or interpretation in connection with the Plan;
 - (c) delegate the exercise of any of its powers or discretions arising under the Plan to any one or more persons for such period and on such conditions as the Board may determine; and
 - (d) suspend, amend or terminate the Plan (subject to restrictions on amendments to the Plan which reduce the rights of the Eligible Participant in respect of any Performance Rights or Shares already granted).
4. Performance Rights will be granted for nil cash consideration, unless the Board determines otherwise (which will be no more than a normal amount).
5. No amount will be payable on the exercise of the Performance Rights under the Plan.
6. The Plan does not set out a maximum number of Shares that may be made issuable to any one person or company.
7. The Company must have reasonable grounds to believe that the number of Shares to be issued on exercise of the Performance Rights when aggregated with the number of Shares issued or that may be issued as a result of offers made at any time during the previous 3 years under:
 - (a) an employee incentive plan of the Company covered by ASIC Class Order 14/1000; or
 - (b) an ASIC exempt arrangement of a similar kind to an employee incentive scheme,

does not exceed 5% of the total number of issued Shares at the time the invitation to

acquire Performance Rights is made (but disregarding any securities issued as the result of an offer that can be disregarded in accordance with ASIC Class Order 14/1000).

8. The Shares to be issued following the Performance Rights vesting conditions being satisfied, will be issued on the same terms as the fully paid, ordinary shares of the Company and will rank equally with all of the Company's then existing Shares.
9. The Performance Rights granted under the Plan will be subject to vesting conditions determined by the Board from time to time and expressed in a written offer made by the Company to the Eligible Participant which is subject to acceptance by the Eligible Participant within a specified period. The vesting conditions may include one or more service to the Company of a minimum period of time, achievement of specific performance conditions by the Eligible Participant and/or by the Company or such other performance conditions as the Board may determine and set out in the offer. The Board determines whether vesting conditions have been met.
10. Performance Rights will have an expiry date as the Board may determine in its absolute discretion and specify in the offer to the Eligible Participant.
11. The vesting conditions of Performance Rights will have a milestone date as determined by the Board in its absolute discretion and will be specified in the offer to the Eligible Participant. The Board shall have discretion to extend a milestone date. Performance Rights will not be listed for quotation. However, the Company will make application to ASX for official quotation of all Shares issued on vesting of the Performance Rights within the period required by the Listing Rules.
12. The Performance Rights are not transferable unless the Board determines otherwise or the transfer is required by law and provided that the transfer complies with the Corporations Act.
13. If a vesting condition of a Performance Right is not achieved by the earlier of the milestone date or the expiry date then the Performance Right will lapse. An unvested Performance Right may also lapse if the Eligible Participant ceases to be an employee for the purposes of the Plan by reason of resignation, termination for poor performance or termination for cause (unless the Board determines otherwise).
14. Under the Plan, if the Eligible Participant ceases to be an employee for any reason other than those reasons set out in paragraph 13, including (but not limited to) upon the retirement, total and permanent disability, redundancy, death or an Eligible Participant or termination by agreement then in respect of those Performance Rights which have not satisfied the vesting condition but have not lapsed, then the Eligible Participant may be permitted to continue to hold those Performance Rights as if the Eligible Participant was still an employee except that any continuous service condition will be deemed to have been waived (unless the Board determines otherwise).
15. If an Eligible Participant acts fraudulently or dishonestly, is in breach of his or her obligations to the Company and its related bodies corporate or has done an act which has brought the Company or any of its related bodies corporate into disrepute, or the Company becomes aware of a material misstatement or omission in the financial statements in relation to the Company Group, an Eligible Participant is convicted of an offence in connection with the affairs of the Company Group or an Eligible Participant has judgment entered against him in any civil proceedings in respect of the contravention of his duties at law in his capacity as an employee or officer of the Company Group, the Board will have the discretion to deem any Performance Rights

to have lapsed.

16. If in the opinion of the Board, Performance Rights vested as a result of the fraud, dishonesty or breach of obligations of either Eligible Participant or any other person and in the opinion of the Board, the Performance Rights would not have otherwise vested; or the Company is required by, or entitled under, law to reclaim an overpaid bonus or other amount from an Eligible Participant, then the Board may determine (subject to applicable law) any treatment in relation to the Performance Rights or Shares to comply with the law or to ensure no unfair benefit is obtained by the Eligible Participant.
17. Where there is an event that the Board considers may result in a change of control of the Company ("**Change of Control Event**"), the Board may in its discretion determine that all or a specified number of the Eligible Participant's Performance Rights vest or cease to be subject to restrictions (as applicable) although the Board may specify in an offer to an Eligible Participant that a different treatment will apply if a Change of Control Event occurs.

Unless the Board determines otherwise, if a Change of Control Event occurs, any restrictions on dealing imposed on vested Performance Rights will cease to have effect.

18. There are not participating rights or entitlements inherent in the Performance Rights and Eligible Participants will not be entitled to participate in new issues of capital offered to Shareholders during the currency of the Performance Rights.
19. If the Company makes an issue of Shares pro-rata to existing Shareholders there will be no adjustment to the number of Shares which must be allocated on the exercise of a Performance Right.
20. If there is any reorganisation of the issued share capital of the Company, the rights of the Performance Rights holder may be varied to comply with the Listing Rules which apply to a reorganisation of capital at the time of reorganisation.
21. The operation of the Plan is subject to the Listing Rules and the Corporations Act.
22. Subdivision 83A-C (deferred inclusion of gain in assessable income) of the *Income Tax Assessment Act 1997 (Cth)* applies to the Plan and holders of securities issued under the Plan may agree to a restriction period for the disposal or transfer of the securities including any underlying securities.
